The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following:

The applicants have corrected all of the problems noted in the previous office action except one. On page 4 of 5 in the supplemental declaration Mrs. Mitchell has signed her name correctly, but under her name is her name typed out followed by the term "Director" instead of the requested term --Legal Representative--. All other signatures and titles are correct and should not be changed on any other form!

Claims 1-18 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.

Applicant's arguments filed March 24, 2003 have been fully considered but they are not persuasive.

In particular, as noted above, only the title of Mrs. Mitchell on page 4 of the Declaration needs to be changed in the new Declaration. Form 17-8 is correct and should not be changed in any way.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the

Art Unit: 3747

shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
